Please find enclosed a price list for our intensive courses.

To help you decide which option is applicable to you, please read the following information:

**OPTION A** – Designed for the candidate that needs to perfect the finer points of driving. A course that will suit those who are very close to test standard. **An assessment lesson is a must.**

**OPTION B** – Designed specifically for those of you who have achieved a good degree of car control. You should be able to carry out all manoeuvres to a reasonable standard. **On the compulsory assessment lesson these skills will be put to the test.**

**OPTION C** - Designed for the candidate with at least some driving experience. At the compulsory assessment lesson the pupil's ability to stop, start, turn left and right will be put to the test.

**OPTION D** – For the younger candidate with little or no driving experience.

**OPTION E** – Recommended for all candidates with no driving experience.

**All courses can be spread over 7, 10 or 14 days. The hours of driving to be mutually agreed prior to the start date.**

Once you have decided to go ahead, and presuming you have passed the theory test, the next step is for us to book you a driving test date. We will endeavour to obtain the date that you require, however we must point out that we are governed by the Driving Standards Agency with regard to test dates.

When a test has been secured that is acceptable to you, we will then contact you again to book the lessons. We work backwards from your test time so that there is no gap between taking your lessons and taking your test. There is no benefit to you if you take your lessons and then find your test is in 6 weeks time! This will not happen with us.

We understand that some pupils just can't wait! If you are one of them don't worry. It's no problem if you take a few lessons before your test date is known. Contact our office and we will be happy to oblige.

Having been established since 1981, **THE DRIVING ACADEMY** has made its name synonymous with the highest standard of tuition.

All of our instructors are **FULLY QUALIFIED** and **EXPERIENCED**. Teaching clients is their livelihood; they work full time and do not play at it! **YOU WILL RECEIVE THE BEST TUITION MONEY CAN BUY!**
